

Report on Short Listed Proposals

No	Title of Project	Consortium	Sector
R&I-2008-006	Inflammation Atherosclerosis and Myocardial infarction in the Maltese population	Division of Medical Laboratory Science, Institute of Health Care, UoM Mater Dei Hospital	Health & BioTech
R&I-2008-018	Implications of clock genes in drug addiction and future drug therapy	MLSBioDNA Dept. of Clinical Pharmacology & Therapeutics, UoM	Health & BioTech
R&I-2008-068	Identification of Neuroprotectants from terrestrial and marine plant extracts in newrodegenerative disorders of the amyloid type	Dept. of Physiology & Biochemistry, UoM Dept. of Pathology, UoM Institute of Cellular Pharmacology Ltd.	Health & BioTech
R&I-2008-025	PINATA - Pervasive Nursing And docToral Assistant	Dept. of Computer Science and AI, UoM St. James Hospital Holdings Ltd.	ICT
R&I-2008-052	Dependability and Error-Recovery in Security Intensive Financial Systems	Dept. of Computer Science, Faculty of ICT, UoM Ixaris Systems Ltd., Malta	ICT
R&I-2008-021	Health Information Search Engine and Social Network	Dept. of AI, UoM Charonite Ltd.WH Law	ICT
R&I-2008-078	Extensive testing of an anaerobic digestion plant on industrial organic waste/wastewaters in Malta	Euromediti Ltd. Sustech Consulting Water Services Corporation WasteServ Malta Ltd. Dept. of Chemistry, Faculty of Science, UoM	Environment & Energy
R&I-2008-026	Solar Hot Water controller so as to automatically control the use of electrical energy through the use of back-up heater in inclement	Remote Monitoring & Control Systems Ltd. Dept. of Systems &	Environment & Energy

	weather, thereby reducing energy consumption and CO2 release	Control Engineering, UoM	
R&I-2008-042	Researching the Production of Hydrogen from Landfill Gas and its Applications for Malta	WasteServ Malta Ltd. Dept. of Mechanical Engineering, UoM	Environment & Energy
R&I-2008-037	Manufacture, modelling and testing of foams, with particular emphasis on a new manufacturing method for the production of 'value-added' auxetic foams	Dept. of Chemistry, Faculty of Science, UoM Methode Electronics Malta Ltd	Manufacturing
R&I-2008-059	Increasing the yield in the production of slow release pellets in the manufacture of tablets and capsules	Dept. of Pharmacy, UoM Starpharma	Manufacturing
