

EURAXESS ASEAN Flashnote

Postdoctoral Research Opportunities in Europe - MSCA Individual Fellowships. Call Opens 12 April 2016. ASEAN researchers are eligible.

The Marie-Skłodowska Curie Actions (MSCA) Individual Fellowship programme is a mobility research grant scheme that is open to post-doctoral researchers from all over the world. The Individual Fellowships are an opportunity for ASEAN researchers to work in research labs in Europe for up to two years. EURAXESS is organising an information session for this call on April 29 at Thailand Science Park. Three Marie Curie Fellows from Thailand will share their Fellowship experiences, and provide tips on how to be successful in your application. More information on the Fellowships and the information session [here](#).

Advancing your Research Career: Funding and Fellowship Opportunities Open to ASEAN Researchers. Workshops in Hanoi, Vietnam on May 11, and in Bangkok, Thailand on May 13.

EURAXESS ASEAN will run one-day workshops in both Hanoi and Bangkok presenting European funding and fellowship opportunities available to researchers in Southeast Asia. Find out about the mobility programmes and research collaboration opportunities available to you. You can meet alumni of these programmes, and learn practical tips on how to be successful in your application. Limited seating. Details and registration for the Hanoi workshop [here](#) and for the Bangkok workshop [here](#).

UK Wellcome Trust - Intermediate Fellowships in Public Health and Tropical Medicine. Open to low and middle income countries.

This scheme enables high-calibre, mid-career researchers from [low- and middle-income countries](#) to establish an independent research programme. Research should be aimed at understanding and improving public health and tropical medicine of local, national and global relevance. Public health and tropical medicine cover a wide range of health problems, including communicable and non-communicable diseases. **Deadline 24 May.** More information [here](#).

France – Research Fellowships in Agriculture, Food, Nutrition, Environment, Animal health and Veterinary Public Health. Open to Researchers from ASEAN
