

Selection Criteria to be used for the Selection of Evaluators for FUSION:

Phase One: Administrative

- Documents listed in Annex Two (or as otherwise indicated)
- Annex Three (where applicable)
- Annex Four (where applicable)
- Proof of 5 years of professional experience in each of the selected area/s

Applications that do not satisfy Phase One will not proceed to Phase Two.

Phase Two: Technical

Applications will be sorted according to the preferred area/s both for Scientific Opinion. Subsequently selection will be carried out according to the following priorities:

- Priority 1: Number of years of prior evaluation experience at an international level.
- Priority 2: Number of years of prior evaluation experience at a national level.

Should more than the required number of evaluators pass priority one, applications will be evaluated according to priority two.
