Antidot

Antidot provides solutions for environmental protection. In the current emergency situation we would like to start a two-level research project, one dedicated to the quality of the residences and the other to identify local business models that supply the essential goods. We are looking for specialized partners in various fields.

How can we help?

Role of the National Contact Point

Spreading Awareness

mailshots; Website;
H2020 Malta
Facebook Page,
information sessions;
training sessions;
promoting brokerage
events...

Advising

one-to-one
consultations;
partner searches;
proposal pre-
screening; general
queries...

Customised Support

based on clients'
needs - financial
issues; legal issues;
grant agreement;
project
management; group
presentations upon
request...

Horizon 2020 Framework Programme (H2020)

COVID-19 outbreak visit the [European Research Area \(ERA\) corona platform](#) for information on related research & innovation!

Latest news: [New ERAs](#) on Horizon 2020 calls and grants published on Friday 27 March. Continuously updated info on submission of [call proposals](#)

Horizon 2020 Research & Innovation

Horizon 2020 is the EU funding programme for research and innovation. Horizon 2020 programme is running from 2014 to 2020 with a €80 billion budget. It provides research and innovation funding for multi-national collaboration projects as well as for individual researchers and supports SMEs with a special funding instrument. For more information on Horizon 2020, please see the [H2020 web site](#).
